

Middle College

Audrey Vesper

Submitted by Dominic Freking

It is with great pleasure that we honor Audrey Vesper as the Middle College SBCC Outstanding Student of the Year. Audrey's curiosity, dedication, and empathy make her an exceptional student and a valued member of Middle College. Her assignments reflect deep insight and a genuine love of learning. Audrey actively participated in nearly every Middle College activity, art workshop and field trip, always welcoming others with kindness and openness. Over the past two years, she has thrived in her dual enrollment courses at SBCC, earning straight A's in 40 college units across subjects like Education, Chemistry, English, Math, and even Dinosaurs! She also joined the Geologic Field Studies trip to the Eastern Sierra. Audrey, we are incredibly proud—congratulations!
